TUTTLE NAMED CHIEF OF POLICE

M. Duane Tuttle was appointed Mattapoisett Police Chief at the last Mattapoisett Selectmen's meeting. He took over the department on June 1 from retired Chief Alfred Faria under whom Tuttle has served 8 years as Deputy Chief since 1969. Chief Tuttle is 61 and has been a member of the police force since 1949. The Board of Selectmen, in congratulating the new chief, expressed the hope of a long and harmonious relationship which was echoed by Tuttle. The Selectmen then acted upon recommendations by Tuttle for new permanent members of the force. They approved the appointment of Janet M. Kennedy, Edward F. Pina and Kenneth M. Pacheco by unanimous vote. All three have been part time officers and have passed the required Emergency Medi-

NEST HEARING CHOICE

Attorney James F. Huntoon and Manager of The Nest Thomas Settipane appeared before the Board of Selectmen in connection with the police raid on the Pizza Pub on May 25 to halt what police reports term an immoral entertainment. The Selectmen asked that

Attorney Huntoon consult his clients and decide if they prefer a formal or an informal hearing waiving rights under the formal hearing. Attorney Huntoon said that Manager Settipane was absent the night of the raid on the Pizza Pub. He said that his client had committed an error of judgement in renting the Pub out for a private "Bachelor Party" without checking first to determine all of the details of the plans of the party. Although Settipane had the night off, he said, Nest Inc. President Joseph A. Zeady of Wareham was on the premises for a short time according to Huntoon. He said that clearly there was a mistake of naivete on the part of the owners and that someone's "knuckles should be kicked" and that up to the present it has been a well managed operation and an asset to the community. Huntoon said that the owners plan to close the Pub operation entirely and never reopen as a club but use the facility for family dining.

Chairman R. William Blasdale asked that

Huntoon consult with the owners and relay the decision for the choice of informal or formal hearing. If an informal hearing is held, the owners will present a statement and then accept the decision of the Board of Selectmen. If a formal hearing is held, testimony will be given by state police and other witnesses. A tentative date of June 14 at 8:30 was set for a formal hearing. In the interim Huntoon assured the Selectmen that nothing is being operated on the Pizza Pub premises.

NEW INN MANAGER

The Board of Selectmen was notified by the owners of the Mattapoisett Inn that a new manager, Peter Plastridge has been named. The Board deferred formal recognition until they can arrange a meeting with Mr. Plastridge.

WHARF REGULATIONS

Joseph Battistelli appeared in connection with new parking fees for trailers at the town wharf. He protested the $3. parking charge for town residents because he said that the wharf was about the only town facility he used regularly for his tax money. Chairman Blasdale explained that the Board had no choice but to try to do something to relieve the congestion

Unfortunately, he said, the town had accepted the state money to build the ramp which can be used by any state resident and use has increased alarmingly to the point where action had to be taken. forced and that he would go over the heads of the Board of Selectmen to State Representative. Chairman Blasdale replied that Town Counsel had reviewed the regulation and fees and had ruled that they are enforceable.

INDUSTRIAL PARK MEETING

The Board of Selectmen met with the Industrial Park Committee and asked that they actively investigate the question of whether the townspeople want to encourage industry by development of the designated area zoned industrial. He said that the question is complicated by the fact that the land is mostly privately owned and must be developed with roads and facilities including sewage to make it usable. The committee said that they considered the term Corporate-Recreation Park preferable to Industrial Park. They said that the sewage system is essential to any development and the Selectmen agreed to inquire into the cost of extending the system to the site.

PARKING TICKETS

Parking tickets are in the police's hands and are effective from the first of June according to the signs designating the zones in the town.

ELECTED SUB DEAN ORGANISTS GUILD

A resident of Marion and Director of Music at Tabor Academy, Michael Pavone has been elected as Sub Dean of the Brockton Chapter of the American Guild of Organists. The Brockton Chapter encompasses the Southeastern Massachusetts area.

Mr. Pavone was recently graduated from Westminster Choir College where he received the Master of Music Degree in Princeton University Chapel in May. Studies at Westminster included voice, organ, and music education. While returning to Westminster for graduate study last year, Mr. Pavone served as organist and choirmaster at St. Michael's Chapel, Rutgers' University. At Rutgers he previously studied for his teaching certificates and subsequently taught for four years in New Jersey where he met his wife Karen Ann, an artist and teacher. After moving to Massachusetts, Mr. Pavone taught for four more years before coming to Tabor.

An active member in the AGO, Mr. Pavone participated in the Worcester, Boston and Merrimack Valley Chapters. He also served on the Merrimack Valley Arts & Humanities Council Board of Directors and directed choir festivals for the Episcopal Diocese of Massachusetts at Groton School and Phillips Academy. This summer he will accompany members of the Los Angeles Chapter AGO in a music tour of Central Europe.

Alcohol & Drug Abuse

On June 1 Mr. and Mrs. Charles A. Crowley, Jr. were hosts to a group of concerned Mattapoisett residents interested in the growing problem of alcohol and drug abuse in Mattapoisett.

Mrs. Dorothy Matthews, Executive Director of the Marion Center for Human Services, was the speaker. She explained the purpose of this non-profit, state-chartered agency established in 1976. It provides Marion, Mattapoisett and Rochester with a full range of services in the fields of Alcohol Abuse, Alcohol and Drug Related Problems.

Among those present were: Mrs. Margaret Johnston, Mrs. James Hubbard, Mr. Roy Lynch, Mr. and Mrs. John Gannon, Captain George R. Boyce (Ret. Coast Guard), Mr. Donald Welch, Commander Ralph Eustis (Ret. Coast Guard).

The recognition of alcoholism as a treatable illness is based on scientific facts. Recovery from alcohol or drug addiction is a family affair.

The mission of the Center of Human Services is one of healing through counseling and treatment. It is believed that an informed community is a safer and healthier community.

For more information please call Mrs. Dorothy Matthews at 748-2850 or Mrs. Nancy Crowley at 758-2728.

We would like to take this opportunity to thank all those people who worked so hard to make our Fair "Things a Buzzin'" such a success. It takes a great deal of cooperation and hard work to run a successful event as our fair was. We feel everyone worked together to achieve a common goal. Rochester Seniors

Mrs. Evelyn Aiken, chairman of the Rochester Council on Aging, announced that applications for photo I.D. cards will now be processed at the New Bedford Council on Aging from 1 to 4 P.M. on Wednesdays. The council is located in the New Bedford Hotel Apartments Building on Pleasant Street.

For the first issue of cards, 186 applications were processed and 156 photos were taken in Rochester on May 19.

Services for senior residents were discussed at a meeting on Tuesday, May 31. There are many services available to the elderly, but the council must know the needs of the individual.

As a first of future programs, the telephone "DIAL-A-NEIGHBOR", is designed for those who live alone, are shut-ins, or who are ill. Calls will be made to them at a specified time, and if requested, visits by a member of the council.

For information regarding this or any other service, please call Mrs. Delma Jacques at the Rochester Town Hall, 763-2085.

Mrs. Aiken and Mrs. Isabel Preston reported on the Conference Workshop of the Southeastern Circa Meeting, held at S.M.U. on May 26.

SENIOR CITIZEN CLUB MEETING

The Senior Citizens Club will hold the last meeting of the season on Tuesday, June 14, at the St. Rose of Lima Hall.

Movies of special events and activities during travel tours of Portugal and the Islands will be shown by George Sousa.

Names must be submitted at the June meeting if planning to attend the annual Picnic at the home of Mrs. Marion Hartley on July 11.

The bus to Cohasset on Wednesday, June 15, will leave at 10 A.M. from the Rochester Town Hall parking lot.

Seniors will have lunch at the Red Coach Grill in Hingham before attending the performance of Myron Floren and Stars of the Lawrence Welk Show at the South Shore Music Circus.

Artworks Gallery

ARTWORKS is presently renovating its new gallery site with a tentative opening scheduled for mid-June. The new location is above Hayes Hardware on the corner of William Street and Acushnet Avenue with entry on Acushnet Avenue. The building was offered to the group rent-free by Mr. Hayes, area businessman and owner of the building. The series of shows slated for the first few months at the exhibition space will feature one and two person shows of gallery members in order to offer a more in-depth profile of each artist's works. The initial show will feature the works of Carl Caivano, city-artist-in-residence, and painter Phil Oliveira of Westport. Banners designed and made by Marge Puryear will be displayed at the location.

Public relations director Dick Pacheco said, "We feel that the interest Mr. Hayes has shown our group as well as the support and encouragement we received from other prominent individuals and groups such as the Public Arts Council, John Bullard and WHALE,
